Two leagues, the Northwest Sunday School and the Southeastern, were ad-mitted into the Amateur Association last night at the meeting held at

This makes a total of nine leagues now members of the association. The Government League is a thing of the past, and it is unlikely that any more circuits will be organized.

Secretary Shurtleff last night stated that four clubs had played games, without registering the players with in the Departmental League, and Printers. Sherwood, and Northerns in the Central League. These men must be registered at once.

The Southeastern League will more than likely be composed of six clubs, in-stead of four, as was originally intended The clubs now holding franchises are the Avondales. Dreadnoughts, Congres-sionals, and the Mohawks. Applications have been received from the Lincoln A. C., and the Brookland club. At a meet-ing of the leag e, to be held tonight, at the residence of President Webber, 558 Fourteenth Street Southeast, the two franchises will more than likely be awarded to these clubs. President Webber requests a full attendance promptly at 7:30 o'clock.

The games in the Federal League have been hard fought to date, and the suc-ess of the young circuit is assured. With he no-hit game of Tuesday, and the fast one only game of Tuesday, and the fast contest yesterday, the fans are attending the games in big numbers, and the old Suburban League rooters will soon be out in force, pulling for the Federal League to beat them all.

Every baseball fan in the Northwest Every basebail fan in the Northwest is hoping for a clear day Saturday, when the Northwest Sunday School League will open its season at 5:30 p. m., with a game between Fourth Presbyterian and Whitney Avenue Christian Churches, President Robert Young, of the Amater Robert Commission has consent. teur Baseball Commissoin, has consent
